INVITATION

Indian Budget 2015 - Tax, Corporate and Regulatory Aspects for Europe

On: Tuesday, April 21st, 2015 –18:00 onwards

Venue: KPMG, 39 Avenue John F. Kennedy, L-1855 Luxembourg

Seminar followed by networking cocktail

Context: With the change in the Indian Government, the perception of doing business in India has changed and India is once again an attractive destination for foreign investments. The Union Budget 2015-16 was presented on Feb.28th, 2015. This seminar will cover its implications on corporate, tax and regulatory aspects for international companies and Foreign Direct Investments.

Saionton Basu

Saionton is a Corporate Partner at Duane Morris LLP, London. He specializes in analyzing impact of regulatory developments in India on foreign investors, in particular to recent changes introduced in the Union Budget 2015, indirect share transfers, deferment of the General Anti-Avoidance Rules, tax treatment of Alternate Investment Funds, Real Estate Investment and Infrastructure Investment Trusts, gradual reduction of corporate tax rate to 25% over the next 4 years and introduction of place of effective management for determining residential status of companies in India.

Sunita Lukkhoo

Sunita is the Regional Manager for lending operations in South Asia at EIB, in charge of originating, structuring and executing financial transactions in all sectors with both corporate & financial institutions. She is also in charge of sovereign lending in South Asia. She leads in-house teams of engineers, economists and lawyers for project due diligence and transaction execution. Sunita succeeded in increasing the EIB's lending operations in India from EUR 55 million to EUR 1.3 billion within a period of 7 years.

Registrations start at 6 pm. Presentations from 6.30 pm followed by networking cocktail
