

INVITATION

Digital Challenges and Transformation Journey

On: Thursday, December 4th, 2014 – 18:00 hrs onwards

Venue: EY Premises, 3 rue Gabriel Lippmann - Parc d'Activité Syrdall 2
L-5365 Munsbach

Conference followed by networking cocktail

Context: It is evident that digitalization has been creating lot of opportunities for the society at large. While there's a rapid improvement in the consumer experience across industries, there's also a rise of new business opportunities by easy to access digital tools. Embracing digital needs to be well thought to face some of the challenges and businesses needs a well structured digital strategic roadmap.

Mr. Nitin Dahad

Nitin has over 30 years' experience in the global technology sector, working in electronics, telecoms, wireless & digital media. He worked for a number of tech companies to support business growth & build value. His success includes taking microprocessor start-up ARC International to Silicon Valley, USA, & guiding it through a billion-dollar flotation on the stock exchange, & chairing photonics company CIP through its sale to a Chinese telecoms company. Nitin is also an international speaker, writer and commentator on global technology, innovation & entrepreneurship.

Mr. Bharat Madan

Bharat is a Manager - Cloud Advisory in EY, Luxembourg. He has worked with IT (Strategy & Business Development), Business Consulting, Innovation and Process Management groups by serving international clients under different profiles. Bharat has gained a diversified experience of 9 years which has equipped him to analyze, understand and address implicit & explicit business technology challenges across multiple cultures. He successfully built new practices & managed global projects.
