

May 15, 2013

INVITATION

The Indian Business Chamber of Luxembourg invites you to

Seminar on:

Entrepreneurship: An Engine for Economic Growth

In the presence & participation of Honorable Minister of Middle Class & Tourism
Mrs. Françoise Hetto-Gasch

Wednesday, June 19, 2013 - 18.00 hours

Venue: BGL BNP Paribas, 50 Avenue J. F. Kennedy, L- 2951 Luxembourg

Context

Entrepreneurship influences the potential contribution to the economic growth & prosperity of a country. Understanding how this phenomenon can lead to successful economic growth, the mechanisms by which new firms & industries are born, grow or die and the conditions that are most conducive to their success is critical. This seminar will focus on examining the relationship between entrepreneurship, growth & policy prescriptions to promote an innovation driven entrepreneurial economy.

Speaker

Dr. Sanjeev B. Ahuja: Sanjeev is President of The Indus Entrepreneurs (TiE), UK, a global nonprofit organization that fosters entrepreneurship. He is the Founder & Managing Director of Progressive Intelligence Limited, a management consultancy firm in business strategy & operations with offices in the US, UK & India. He is a trusted adviser to KPMG and many other leading companies and on the Advisory Board of Storybricks, a start-up technology firm developing an AI-based platform for player defined content of the next generation of computer games. Previously, Sanjeev was the Founder and COO of Allaxia SpA, a CRM Business Services company in Italy, growing it from €4M to over €35M with 400 employees in 2 years. Sanjeev is also involved with global organizations like the Human Rights Watch and Good of All that focus at raising awareness among the younger generation, as well as successful businessmen, professionals and philanthropists for social values that transcend religious and other divisive classifications.

Testimonial: A company incubated at the BGL BNP Paribas Lux Future Lab will provide an insight into its successful experience as a startup, achievements and challenges.
