

INVITATION

DISCOVER THE NEW RESIDENCE PERMIT FOR THIRD-COUNTRY INDIVIDUAL INVESTORS

HOW DOES LUXEMBOURG ATTRACT WEALTH, ENTREPRENEURS AND TALENT?

Over the years, Luxembourg has launched a range of special residence permits for third-country individuals eager to settle down in the heart of Europe and enjoy a business friendly and safe environment.

In this context, prior to summer 2016, the Luxembourgish government introduced a dedicated draft Law (n°6992) which foresees, among others, an exclusive residence permit dedicated to third-country high-net-worth investors.

This Law has been adopted on February, 8th 2017.

What is it about? How does it work? What opportunities does it bring for you and your company?
